Access to your health information

What is MyChart?

MyChart offers patients personalized and secure online access to portions of their medical records through Epic, Ascension's Electronic Medical Record (EMR). It enables you to securely use the Internet to help manage and receive information about your health. With MyChart, you can use the Internet to:

- Request medical appointments.
- View your health summary from the MyChart electronic health record.
- View test results.
- Request prescription renewals.
- Access trusted health information resources.
- Communicate electronically and securely with your medical care team.
- Pay your bill.

Ascension MyChart

As a patient of Ascension Wisconsin, you can securely access personal health information online through Ascension MyChart.

Talk to your healthcare provider to learn how to sign up for MyChart. Find out how to obtain proxy access for your child under age 12 or access for teens, 12 to 17 years old. With parental permission, teen patients, ages 12-17, can sign up and provide proxy access to a patient, both parents or another adult.

Private and Secure Health Information

Accessing your health information through Ascension MyChart is safe and secure, giving you peace of mind. It's safe from unauthorized access because MyChart is password protected and delivered through an encrypted connection.

Ascension Wisconsin

Coronavirus (COVID-19) alert

In response to the COVID-19 pandemic, we have temporarily turned off online-based scheduling. If you would like to schedule an appointment, please contact your doctor's office directly, or send the staff an appointment request message through MyChart. We apologize for any inconvenience.

We encourage our patients to take advantage of our Virtual Office Visits that are now available within most of our departments. Please contact your doctor's office to schedule a virtual visit with your provider.

If you have a fever, cough or other respiratory symptoms, please call (833)978-0649 prior to visiting one of our Ascension facilities, so you can be screened by a nursing professional.

MyChart Benefits

Health Information at Your Fingertips

MyChart provides you with instant access to your medical information through any device—desktop, mobile and tablet.

- Request or schedule wellness appointments online for you and your family.
- Access your medical information for appointments and discharge instructions for what you need to do after your hospital stay.
- Receive lab tests and imaging results.
- View and update medications, immunizations, allergies and medical and family history.
- Review diagnosis or health issues discussed during your visit.
- Access instructions on preparing for lab tests or other services.
- See instructions for follow-up care.
- Get prevention and wellness recommendations.
- Access your family's health records. Adult guardians may access the records of children up to age 11 or other family members who have granted legal rights to manage their health care. Their records can be linked to yours for convenient access to appointments, immunization records, growth charts and more.

Stay In Touch with Your Provider

- Ask your provider a question by simply leaving a message.
- Request renewals and refills of your medications online.

Manage Your Appointments

- Request or cancel an appointment online.
- View details of your past and upcoming appointments.

Ascension Wisconsin

New to MyChart?

To gain access to your health information in MyChart, please contact your clinic, or our customer support line at 1-844-757-5607 to be sent an activation code.

How to Enroll and Request an Activation Code for MyChart

To request access to your health information in MyChart:

- Complete the Ascension MyChart Access Form at your physician's office, or provided to you at the hospital, where you will be issued an activation code. **Note:** If you did not receive an activation code during your visit, please call your primary care physician to receive one or ask to sign up during your next visit.
- Once you receive a MyChart activation code, log in as a first-time user and create your own username and password. To help identify you, we will also ask for the last four digits of your social security number and date of birth.

MyChart Mobile App

Staying in touch with your care provider while you're on the go is now easier with the free MyChart mobile app for iPhone and Android.

First, establish your MyChart account at wimychart.ascension.org.

An account activation code will be sent to you when you make an appointment, and one is also provided on your After Visit Summary.

To download the free MyChart Mobile App, please visit one of the sites below and search for "MyChart" and install. Select "Ascension Wisconsin MyChart."

- Apple App Store - For iOS devices.
- Google Play - For Android devices.

To learn more about the MyChart app or if you need help downloading it, please speak with your provider or staff. They are happy to help!
