

Looking for a Primary Care Provider (PCP)?

FREE Services At the Gateway Employee Clinic

What is a Primary Care Provider?

A primary care provider (PCP) is a healthcare professional who practices general medicine. PCPs are our first stop for medical care.

Benefits of choosing a Primary Care Provider (PCP)

- **Individualized to you** and your specific healthcare needs
- **Comprehensive** (acute conditions, chronic illnesses and behavioral health issues)
- **Focused on prevention**, which keeps you healthier and happier
- **Coordinates your healthcare** with sub-specialists, hospitals and others when needs arise
- **Relationship-based and lifelong**, your PCP knows you, your history and your family
