What services are included through the Cardiovascular Care Program?

- Appointments, testing, surgeries and procedures at approved facilities.
- Advanced cardiac imaging, including computed tomography (CT) and magnetic resonance imaging (MRI).
- State-of-the-art catheterization labs and operating rooms.
- Emergency heart services and complex surgical care.

What is not included in the program?

- Testing completed at unapproved facilities or offices.
- Services at other Ascension hospitals, such as those in Fishers, Indianapolis, Evansville or other locations.

What if I already have a non-Ascension cardiologist?

- Their services are not covered under this program; your regular deductibles and costs will apply for their services.
- Explain our incentive benefits program to your provider.
- Your current cardiologist can collaborate with our team at the Heart Center.
- You can request a referral to the Ascension St. Vincent Heart Care Team.

Do I have to use this program?

- This is not a mandatory program. You always have the choice to use this program or seek care elsewhere through your primary health benefits.

Do I need a referral from my primary care provider?

- No referral is needed; you may directly call the concierge line to schedule an appointment.

How much will services in this program cost me?

- Deductible and coinsurance costs are waived for eligible care.
- Incentive payments may be available for participation in the program when utilizing services.

What if I am having symptoms of a cardiovascular emergency?

- Go directly to the closest ER or dial 911.
