## To get started

### Step 1

Call **855-782-0946** to schedule an appointment. State you are a member of the Cardiovascular Care (heart care) Program. The concierge will connect you to an approved Ascension St. Vincent cardiology office.

### Step 2

Consult with the Ascension St. Vincent cardiology doctor to plan your care.

### Step 3

Schedule additional services at approved Ascension Cardiology locations. The cardiology office(s) will provide education and preparation for all testing, procedures and/or surgery.

### Step 4

If needed, complete recommended tests or imaging at an approved Ascension Cardiology location and schedule procedures and/or surgeries at Ascension St. Vincent Heart Center.

# Cardiovascular Care Program

## South region

The Ascension St. Vincent Cardiovascular Care Program is a high-quality specialty care program offered through your employer as part of your health benefit plan at no cost to you.

## What is the Ascension St. Vincent Cardiovascular Care Program?

- High-quality specialty care offered through your employer at no cost to you as part of your health benefit plan.
- Comprehensive cardiovascular care, including testing, surgeries and procedures performed at designated locations.
- A program available to active members of participating employer health plan.

## Why should I participate in the Cardiovascular Care Program?

- Experience world-class service and the highest-quality cardiovascular care available in Indiana.
- Excellent procedural and surgical outcomes, decreased hospital time and quicker recovery.
- Comprehensive post-surgical care to help ensure quality of life is restored.
- Lower costs for you and your family.
- Zero deductible, co-pay or coinsurance costs.
- Potential for incentive payment from your employer for choosing the Ascension St. Vincent Heart Care Team.

## What services are included through the Cardiovascular Care Program?

- Appointments, testing, surgeries and procedures at approved facilities.
- Advanced cardiac imaging, including computed tomography (CT) and magnetic resonance imaging (MRI).
- State-of-the-art catheterization labs and operating rooms.
- Emergency heart services and complex surgical care.

## What is not included in the program?

- Testing completed at unapproved facilities or offices.
- Services at other Ascension hospitals, such as those in Fishers, Indianapolis, Evansville or other locations.

## What if I already have a non-Ascension cardiologist?

- Their services are not covered under this program; your regular deductibles and costs will apply for their services.
- Explain our incentive benefits program to your provider.
- Your current cardiologist can collaborate with our team at the Heart Center.
- You can request a referral to the Ascension St. Vincent Heart Care Team.

## Do I have to use this program?

- This is not a mandatory program. You always have the choice to use this program or seek care elsewhere through your primary health benefits.

## Do I need a referral from my primary care provider?

- No referral is needed; you may directly call the concierge line to schedule an appointment.

## How much will services in this program cost me?

- Deductible and coinsurance costs are waived for eligible care.
- Incentive payments may be available for participation in the program when utilizing services.

## What if I am having symptoms of a cardiovascular emergency?

- Go directly to the closest ER or dial 911.
