

Oak Creek-Franklin Joint School District Wellness Incentive Program

Start your wellness journey

We know your personal health and well-being impact your day-to-day life. The School District continues to invest in you and has partnered with Ascension to provide you with wellness resources, at your fingertips, 24x7. Through an interactive dashboard, the wellness platform provides you with the resources you need to achieve or maintain good health, including health and wellness challenges, educational modules and easy tracking.

Your path to well-being is unique only to you. You may want to be more active, eat healthier, learn better financial habits, practice gratitude, recognize your purpose or foster interpersonal relationships.

The wellness portal can help

Employees and spouses on the health plan have access to the wellness platform and can complete activities to receive points and have the ability to complete the required activities in order to receive the maximum discount for healthcare premiums.

Getting started is easy

Employees can go to ocfsdwellness.wellright.com to log in. Employees can invite their spouses to create a separate account to track their progress and participation.

- Access the platform wherever you are. Download the mobile app for easy access on the go.
- Sign up for text tracking that makes it easy to track your progress from your mobile device.
- Sync a fitness device to easily download your steps, miles, etc.
- Complete the Health Risk Assessment (HRA)
- Complete your biometrics through your primary care provider or through the onsite clinic.
- Add a Personal Challenge to keep you accountable to reach your personal goals.
